Application number	WSCC/046/23
Name	HelenJackson Brown
Address	34 Sommerville Rd, St Andrews, Bristol. BS7 9AB
Type of Comment	Objection
Comments	I am objecting to the UK Oil & Gas (UKOG) Fifth Extension Application to Retain their Broadford Bridge site including an additional borehole. We are in a Climate and Ecological Emergency and as such we should not be permitting any further/ additional oil and gas exploration.
