## Comment for planning application WSCC/046/23

Application number	WSCC/046/23	
Name	Mr.J.Shippam	
Address	20, Canal Road, Yapton, Arundel.	
Type of Comment	Objection	
Comments	I wish to object to the above planning application . I believe the reason for it is to avoid the cost of restoring the site - something that was agreed many years ago. This is now the fifth extension and the reference to a possible geothermal or tea growing project points to specious nature of the application. The applicant is not to be trusted as it has lied in the past to the Environment Agency about it's use of matrix acidising. The area is overwhelmingly agricultural and should be respected as such. Oil companies have no business trying to fool local people and councils and must be made to honour their obligations.
