Comment for planning application WSCC/046/23

Application number	WSCC/046/23	
Name	Will Light	
Address	GULLEGE, IMBERHORNE LANE, IMBERHORNE LANE, EAST GRINSTEAD, RH19 1TX	
Type of Comment	Objection	
Comments	This constant request for extensions must stop, and the site to be restored. There should not be this dangerous and polluting dirty industry in this nice area. There are so many issues and pollution problems where this type of exploration and extraction has occurred in other places such as Blackpool and Gatwick.
