number		
Name	Simon Birnstingl	
Address	MONKS WALK, 20, MONKS WALK, STEYNING, BN44 3HR	
Type of Comment	Objection	
Comments	The extension of hydrocarbon extraction goes against our commitment to reduce carbon emissions. The local environment and delicate road infrastructure as well as the peace and beauty of our valuable countryside will be harmed if this industry is allowed to develop. Please do not even let it start.
