|                                | The Parish Council objects to a further extension of the site mothballing and feels that it should immediately be repaired and reverted to its previous state. If WSCC decides to allow a further 2-year extension to UKOG, the Parish Council would firmly request that sufficient funds are set aside (in either a Bond or Escrow-type arrangement) to ensure that the land can be restored once the extension period has finally lapsed. |   |  |
