Toni,

I have recently been given your contact details.

I am the case officer for a planning application relating to hydrocarbon exploration, the full details of which are available on the West Sussex County Council website using the above reference number.

Please see my previous email attached, I would be very grateful if you could provide me with a response, even if it is to advise that the DECC will not be making comments. Please do not hesitate to contact me should you wish to discuss further.

Many thanks in advance,

James Neave
