Dear Dr Sutcliffe

**Town and Country Planning Act 1990
Appeal by Celtique Energie Weald Ltd

0DD**

I refer to your request for Rule 6(6) status and confirm that it is granted.

The case is following a bespoke programme which is still to be confirmed. You will be advised of the date for submission of proofs of evidence and the date of the inquiry as soon as they are known.

As you are a Rule 6(6) party, you should send me 3 copies of your statement of case. This is required by the provisions of Rule 6(6) of the appropriate Inquiries Procedure Rules. You should do this ideally by 19 December 2014 but no later than 26 December 2014.

Your statement of case should:

Give full details of the case you will be putting forward at the inquiry. You must provide documents, maps and plans, you intend to refer to or use in evidence. Please also include a list of any conditions or limitations you would agree to, if the appeal were to be allowed.

I will send a copy to the Appellant and the LPA.

In accordance with Rule 14(1)(a) you should submit **3 copies of your proof(s) of evidence** (and summary(ies) where appropriate) to me by the date given in the confirmed programme which will follow.

If you choose not to appear at the inquiry following service of your Rule 6(6) statement, you should be aware that no provision is given within the rules for you to submit a further statement or to add to any statement already submitted.

Statement of case

In your statement of case you will need to give full details of the case you will put forward at the inquiry. You must provide any documents, including maps and plans, to which you intend to refer or use in evidence.

Statement of common ground

The statement of common ground should list all agreed matters. The appellant and the LPA are expected to meet in advance of the inquiry, to agree the statement of common ground, which should include basic facts such as the site description, area, planning history, relevant planning policies, and as many other matters as possible relating to the application.

Proofs of evidence

A 'proof of evidence' is a written statement that the appellant, the LPA or witness wishes the Inspector to take into account at the inquiry. If the proof is more than 1500 words long, you must also send me 3 copies of a written summary which should not be more than 10% of the length of the proof. The summary should reflect the contents of the proof and should not include new evidence. When a summary is provided, only that will be read at the inquiry. If proofs and summaries are not received together and on time, the inquiry may be postponed.

Statutory parties

'Statutory parties' are owners or tenants of the application site who made comments within the time limit on the application. You must send any statutory party(ies) a copy of all representations at the same time as you send them to us and the LPA.

Costs

Costs can be awarded in this type of appeal. Details of this can be found on our Planning Portal - www.planningportal.gov.uk/planning/appeals/guidance. You are advised to read this guidance very carefully as it contains important information about how one party to an appeal might have to pay another party's costs.

You should be aware that withdrawal at any stage in the proceedings, without good reason, may result in a successful application for costs. A successful application is also possible should an event be adjourned because of the submission of late evidence.

Additionally, a Planning Inspector or the Secretary of State may on their own initiative make an award of costs, in full or in part, if they judge that a party has behaved unreasonably resulting in unnecessary appeal expense.

Planning obligations – Section 106 agreements

A planning obligation, often referred to as a 'section 106 agreement', is either a legal agreement made between the LPA and a person 'interested in the land', or a legally binding undertaking signed unilaterally by a person 'interested in the land'.

If the appellant intends to rely on an obligation, a final draft must be received:-

- i. by the opening of an inquiry, which is scheduled to last more than one day
- or
- i. 5 working days before the date of a one day inquiry.

Obligations should be completed by the close of an inquiry. An Inspector will not normally delay the issue of a decision (or submission of his report) to wait for the completion of an obligation.

Guidelines for appeal statements and proofs of evidence

If you are able to do so, please submit your appeal documents electronically using the Planning Casework Service (www.planningportal.gov.uk/pcs).

We will scan all the paper documents that we receive into our computer system. To help us do this and ensure that the information in your documents is accurately recorded and understood, wherever possible please prepare your appeal documents in the following way.

1. Type the information using 'sans serif' font sizes of at least 11 point. ('Sans serif' fonts are easier to read on screen, common examples are Arial and Verdana.)
2. Use A4 size paper wherever possible.
3. Print documents on both sides of a page if you want to, but please ensure that the quality of paper is such that images from one side of the page do not show through to the other side.
4. Use black ink and capitals if you need to write on a document.
5. Ensure photocopied documents are clear and legible.
6. Place photographs, maps, plans, etc., in a separate appendix and cross-reference them within the main body of the document. Do not stick photographs to sheets of paper. Put them in an envelope and write the site address or appeal reference number if known on the back.
7. Bind documents in such a way that bindings can be undone quickly without damaging the document. Avoid using wire or plastic spiral binders.
8. Avoid using cover sheets, sleeves or other bindings that do not add value or information.
9. Ensure that the pages of documents are clearly numbered.
10. Please do not send valuable original documents unless these are specifically requested.
11. Please do not include post-it notes or other small attachments which might be easily dislodged or lost.
