Subject: RE: Storrington Oilsite - Planning Application WSCC/050/13/SR

Dear Alison,

Members reviewed this application at our Planning & Development Committee Meeting last Thursday and noted that it was for the retention of existing Storrington Well site including plant and equipment and to continue to produce hydrocarbons for a further period of up to 5 years. As this application is for nothing more than is already being undertaken, it was **AGREED** that a comment of **NO OBJECTION** be sent to W.S.C.C.

I trust the above is satisfactory, however should I need to respond to anyone else, e.g. Jane Moseley, please let me know.

Kind regards,

Caroline Read
