Deliver by Hand

Dear Sirs

We oppose plans to build a 3R EfW facility at Former Wealden Brickworks, Langhurstwood Road, Horsham RH12 4QD to which planning applications WSCC/062/16/NH (withdrawn) and WSCC/015/18/NH (awaiting decision) appertain.

We are putting our hope and trust that West Sussex County Council feel as passionate about West Sussex as we do. Given the scale and importance of this issue we would like the Council to consider a full debate on this planning application. At a time that decision makers worldwide are concluding that incineration has too high a cost to human health and the environment, adversely impacting the circular waste economy and reducing investment in alternative technology, we hope the Council will reject plans to build a huge industrial carbuncle in the Sussex countryside.

Yours faithfully

The undersigned
